### 3 VIRTUAL WORLD

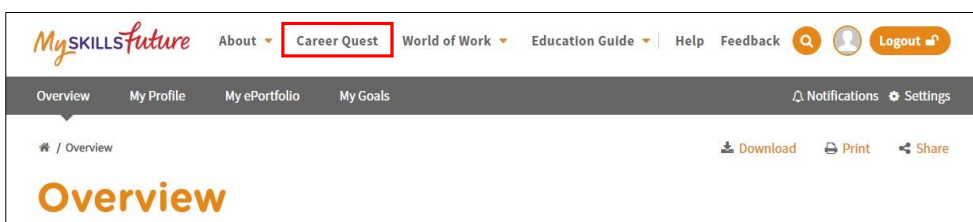

Figure 3-1: Career Quest Menu

**Career Quest** is an interactive game where you can learn more about different job roles and industries through interacting with different characters and completing quests. It also contains mini games to allow you to test and find out where your skills and strengths lie.

Figure 3-2: Virtual World (Career Quest)

Create your own **Avatar** and use it to explore the virtual landscape.

Enter any industry and talk to the different characters to learn more about their job roles. Earn points, badges and costumes along the way!
